Grant Type		Grant Award Date		_ Grant Amount	

1. Grant Purpose: Give a brief description of the program or organizational goals you planned to accomplish with your previous grant.

2. Accomplishments: What success did you have with your goals this year? Please describe here or attach an annual report.

3. Challenges: What challenges have you encountered over the grant period, and how will you incorporate these findings into future planning and/or evaluation efforts?

4. Evaluation: Please describe your organization's measures of effectiveness and means of evaluation, qualitative and/or quantitative.

Capacity Building

5. JGFF Support for Staff/Board Development: What did you accomplish with the JGFF staff/board development funds? This includes all human development and training, such as coaching, conferences, courses, retreats, webinars, workshops, etc.

6. Other Funding for Staff/Board Development: Please describe any additional funds the organization has received and/or spent on staff and/or board development or training.

7. Organizational Needs: Please describe organizational development needs, including how and whether they are currently being met. Include both **process needs**—communication, financial & strategic planning, fund development, marketing, technology, etc.—and capital needs for equipment or facilities.

8. Changes: Have there been any significant changes in organization leadership or finances in the past 12 months? If yes, please explain.

9. Time: Approximately how long (number of hours) did it take your staff to complete this submission?
